

FOR COMMUNITY LEADERS

FREE FOR ORGANISERS

The free app for community leaders.

Everything a community leader needs to host events, message members and grow a thriving group — free forever for organisers, with zero monthly fees.

+ Free forever
+ AI events & flyers
+ Co-hosts & QR check-in

THE OPPORTUNITY

Leading should feel good.

Whether you run a walking group of ten or a club of five hundred, the work is the same: chasing RSVPs, answering directions and paying for tools yourself. More Community gives you the full app free — removing admin with AI event tools, printable flyers and member CRM.

SUSTAINABLE COMMUNITIES

Run free forever — fund your club when you choose

Free events and core leader tools always cost £0. As your group grows, optionally switch on paid memberships, ticketed events or local sponsorships inside your dashboard (80% goes straight to your club fund) via UK Faster Payments.

Venue & safety ready

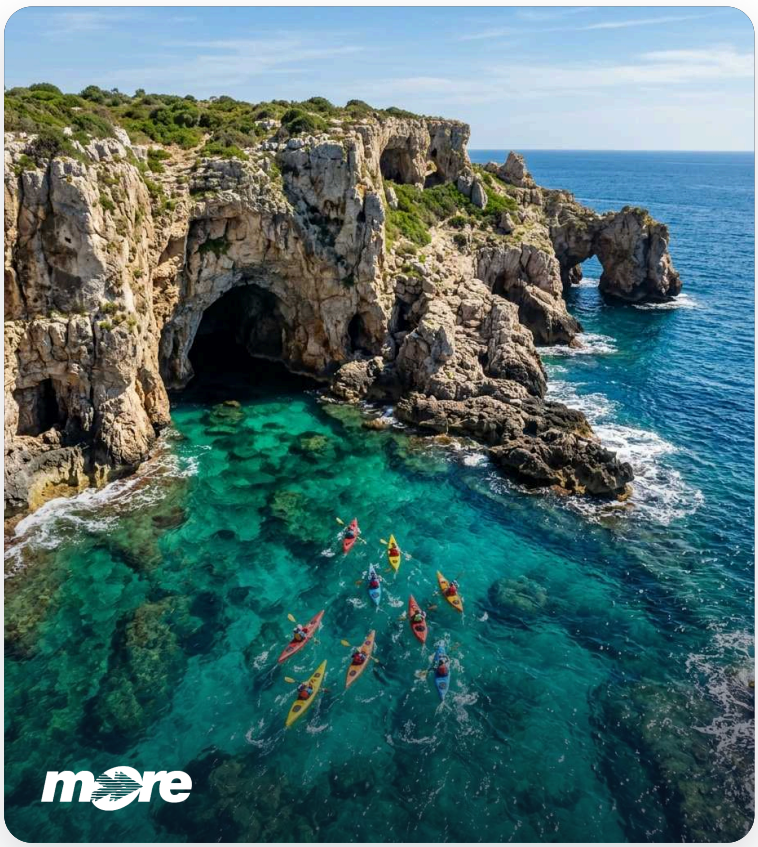

When venues or councils ask, unlock 1-click PDF RAMS packs, digital attendee waivers and safety check-ins right inside your dashboard.

AI events and flyers

Draft events with AI, design flyers with 20 fonts, set recurring schedules and share via WhatsApp.

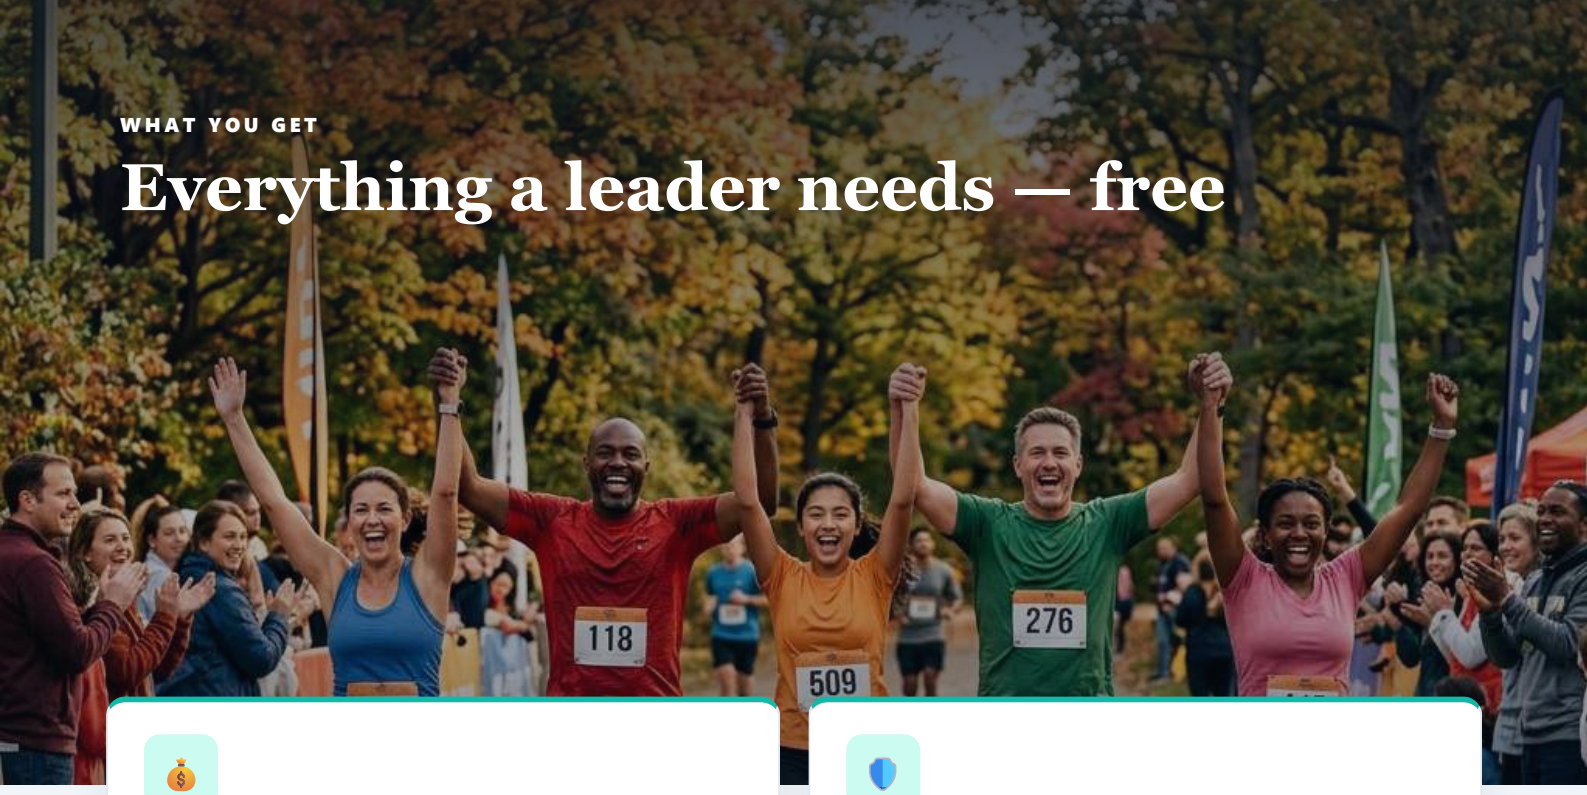

Member CRM and retention

Track Active, Engaged, Slipping and Inactive members, delegate to co-hosts and automate welcome reminders.

WHAT YOU GET

Everything a leader needs — free

Free core & club fundraising

Free meetups cost £0 forever. Optionally add paid tickets, memberships or local sponsorships (80% to your club fund) paid out to your UK bank.

Venue & safety ready

Unlock instant council/venue PDF RAMS packs, digital member waivers and day-of safety check-ins from your dashboard when needed.

QR check-in and calendar sync

Recurring events, live calendar feeds, branded digital tickets, QR check-in and clear meeting map links.

AI event and flyer studio

Generate event copy in seconds and export custom flyers with 20 Google Fonts for local noticeboards.

CRM, triggers and WhatsApp bridge

Engagement scoring (Active to Inactive), automated reminders, moderation tools and WhatsApp sharing.

You own your audience

One-click export of your member and attendee list with verified attendance records. No lock-in.
